A student's achievement must be attributed to the solid foundation her primary school built. Therefore, we would like to express our appreciation of your effort in nurturing students' intellectual and personal growths and celebrate with you the achievement your graduate(s) made here in Kowloon True Light School. We are a subsidized Christian girls' school with a long history of 150 years. Since the relocation to Hong Kong in 1949, the school continues to cultivate all-round Christian values for girls through education from kindergarten to secondary school levels, guiding them to be the 'Light of the World'. With our continuous efforts and successes in recent years, beginning from 22/23, we are to conduct lessons in English as Medium of Instruction (EMI) for ALL S1 students.

We look forward to admitting students of yours and are ready to offer them education of high quality in order to develop them into young people of high caliber.

Thank you for your kind attention.

Yours faithfully,

Sandra Hon (Mrs.)
Principal
