Dear Principal,

Graduating from primary schools is no doubt a milestone for most young students. We are glad to see our S.1 students adapting to the new environment very well. Their effort has been reflected on the result of their first mid-term test and we would like to share the good news with you.

ZHUANG ALDRICH (庄鎔鐸), who graduated from your school, has gotten the highest mark in S.1 Mathematics in his/her mid-term test.

The result is a great encouragement to both the student and our teachers. We hope you are proud of your graduates and pleased with their results.

Yours sincerely,

Sung Kam Man
Principal
